

How Do We Compare?

The South West Ankle Brace is up to 20% lighter than many of the leading SCFO/AFOs used today. You will notice the difference, and more importantly, so will your patients.

INNOVATIONS

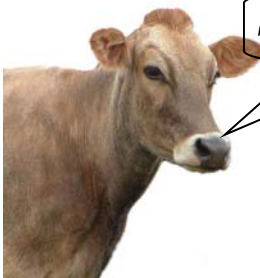

Carbon Fiber In Every Brace

All SWOD SCFO/AFOs now utilize carbon fiber technology.

- Stronger
- More durable
- Lighter than ever

...pound for pound 10X stronger than steel...

Comfort Products

Still using leather?

Try our microfiber SWOD Suede.

Breathable; easy to clean; wicks away moisture; less slipping; durable. Available in black, brown and beige. Call for a sample!

INTRODUCING "SWOD HIDE"

- Looks and feels like finished leather
- Microfiber durability
- Easy don/doff
- A breeze to clean
- Available in Black, Beige, Brown
- Call for sample

DESIGNS
